

SPASAVIC has been an integral part of our business growth over the past 5 years. As all businesses should do, SPASAVIC are constantly seeking feedback, engaging members and improving their services. They are a central part of the Victorian swimming pool industry and are great advocates, a sounding board and a resource for businesses like mine. SPASAVIC is well respected amongst the pool buying community and I am proud to display the SPASAVIC logo alongside the Icon Pools name.
